CAN WE PUT UP 'IN GOD WE TRUST'?

- Presidents, members of Congress, and American citizens have acknowledged God as the Creator of Rights and the Supreme Authority over our nation
- Courts across America continually affirm the constitutionality of our Motto and firmly reject the notion that it promotes the establishment of religion
- State and Local Lawmakers are passing measures to ensure our Motto's public display
- Tens of thousands of "In God We Trust" posters are already going up in public schools across America, millions of decals and displays are up on cars and buildings, and thousands of first responder vehicles are emblazoned with our National Motto

FAITH IMPACT OPPORTUNITIES: DISPLAYING "IN GOD WE TRUST"

- Present your city council with a resolution to display our National Motto in council chambers or government buildings
- Provide your school with posters for display
- Encourage first responders in your community to add the Motto to their vehicles and uniforms

Keep Faith in America

A unique and diverse coalition of Americans declaring "I STAND FOR FAITH!"

People of faith across America are uniting around the common mission of ensuring that Faith, God, Prayer, and the Bible and its teachings continue to have a place in shaping America's future, to promote freedom and increase civility.

Keep Faith in America

A unique and diverse coalition of Americans declaring "I STAND FOR FAITH!"

CLICK HERE for brief message from Lt. Col Allen West on "Keep Faith in America"

WHY IS IT CRITICAL TO STAND FOR FAITH?

- America is in a spiritual, moral, and political crisis
- We are now barely allowed to reference God in the public square without fear of intimidation and harassment, overt shaming, legal action, or some other form of backlash
- Faith and freedom may not have been born together, but their marriage built America and divorcing the two would be its demise
- We must stand for faith in the face of opposition in order to reclaim the narrative on faith in America and to ensure that truth wins out

FAITH IMPACT OPPORTUNITIES: HELP KEEP FAITH IN AMERICA

- Mobilize around the efforts of your state and local government leaders as they stand for faith
- Reject the efforts to remove prayer, God, and the Bible from the public square
- Become a social media warrior
- Write letters to the editor to influence people on faith-based topics
- Proudly wear an 'I Stand for Faith' pin to spark conversations in your daily life
- Present a school prayer policy to your school board to protect the rights of students and faculty
